Recommendations

“Today I learnt that fresh expressions of church is not just the latest buzz word. I see its impact.”

John Grice, Oswestry vision day

“The *vision day* was so encouraging because we heard of so many exciting and innovative things already going on. We should have more of these days.”

Alan Smith, Bishop of St Albans

“I've been waiting for a day like this for ages. The subjects that were discussed have been what I've wanted to do but I didn't know how to go forward. It has given me lots to think and pray about.”

Eileen Bamford, Stoke-on-Trent
