Information for Churches

YOUTH DAY

We will be running three different age groups

Group 1 - Reception, Yr1, Yr2. Group 2 - Yr3, Yr4, Yr5, Yr6. Group 3 - Secondary School.

We may run a 4th group for older secondary depending on numbers. These groups are approximate and flexible. It is open to ALL children and young people!

The day will include opportunities to join in worship, arts, crafts, sports, games and more.

The theme for the day is based around 1 John 13-24, which supports the young people in thinking about issues linked to friendship and love.

Lunch is provided for all attending, along with snacks.

There will be a tuck / merch stall open for young people to buy from if they wish. This will be provided by Hope Church East Cleveland. Suggested amount is a maximum of £5 or £10.

We are asking for a contribution of £3 per young person for the event. If you wish to pay as a group, or if the church is covering the costs. Please email us hope4eastcleveland@gmail.com we can provide you with a discount code, issue this to parents, ask them to book as normal and add the code at checkout. We will provide details of how churches can then transfer the cost of spaces. If costs are a barrier again get in touch and we can look at how we can support.

All young people are required to complete an online consent form before the event.

We are looking for adult volunteers for this event. Adults will be required to go through safer recruitment for volunteers, along with an enhanced DBS, we can arrange methodist DBS where required. If you need to bring younger children with you, please book them in, there is no charge but we need have consent form completed for all young people. Young people aged 14-17 can also volunteer to support with this event. They still require an online booking and consent, but there is no charge.

The day is perfect for both church young people, and other young people you may have contact with through youth groups, schools work or other outreach.
